General terms:

- The Hyundai Service Plan covers the cost of the parts, lubricants and labour involved for the duration of the plan, following the Service Schedule above.
- The Hyundai Service Plan must be purchased prior to the vehicle's first service, and prior to 12 months since the First Date of Registration of the vehicle.
- The Hyundai Service Plan is only applicable for genuine Hyundai parts, lubricants and labour charges.
- Value Added Tax (VAT) at a rate of 20% is included in the purchase price.
- The Hyundai Service Plan covers the services in the above schedule in line with Hyundai Motor UK's time and mileage recommendations but does not include additional maintenance or repair for wear and tear items, including but not limited to: tyres, brake pads, bulbs, drive belts and fluid top ups between services.
- The Hyundai Service Plan does not cover items that require replacement or repair due to excess wear and tear, misuse or a lack of maintenance as described in the owner's handbook.
- The Hyundai Service Plan does not cover the cost (parts and labour) of replacing components, which, as a result of a recommended inspection, need to be replaced.
- Servicing conducted under The Hyundai Service Plan must be carried out in line with Hyundai Motor UK's time and mileage recommendations at any participating Hyundai Dealer or Hyundai Authorised Repairer within the UK.
- Service due dates are taken from the First Date of Registration of the vehicle.
- Any form of tuning or modification to your vehicle will invalidate The Hyundai Service Plan, without the need for evidence that the tuning or modification has adversely affected your vehicle.
- To help ensure the vehicle warranty remains valid it is essential that all of the required maintenance and servicing is carried out within 600 miles or 1 month (whichever occurs sooner) of the time or mileage specified by Hyundai Motor UK Ltd.
- If the services have not been fully utilised and there is balance remaining, the outstanding financial balance can be offset against the cost of a new Hyundai Service Plan when a new Hyundai is purchased which meets the relevant Service Plan criteria above. Please note, once transferred, the remaining financial balance may not cover the cost of the remaining services on the plan.
- Should you wish to cancel your Hyundai Service Plan, you have the right to do so within 14 days of purchase, providing you have not made use of it. The Hyundai Service Plan cannot be cancelled or refunded after 14 days from purchase.
- Hyundai Motor UK Ltd reserve the right to amend or withdraw this offer at any time and Hyundai Motor UK's guidelines are subject to change.

Service Plans including MOT:

- The MOT tests some important items on the vehicle to check that they meet the legal standards. This is not equivalent to having the vehicle serviced and doesn't check its general mechanical condition.
- The Hyundai Service Plan including MOT is not available in Northern Ireland, the Channel Islands or the Isle of Man.
- The 3 year, 4 year and 5 year Hyundai Service Plan including MOT covers the cost of the MOT Tests in years 3 (for a 3 year plan) and years 3, 4 and 5 (for a 5 year plan).
- MOT Tests conducted under The Hyundai Service Plan must be carried out at a participating Hyundai Dealer or Hyundai Authorised Repairer within the UK which is an approved MOT Test Centre.
- Vehicle must pass its first MOT on or before the third anniversary of its first registration.
- Vehicle must pass subsequent MOT Tests on or before the anniversary of its last MOT.
- V5C Vehicle Registration Document and current MOT certificate must be presented to the Hyundai Dealer or Hyundai Authorised Repairer in order for the MOT Test to be carried out.
- If the vehicle does not meet the standards set out by the DVSA it will fail its MOT and must be repaired before an MOT pass certificate can be issued.
- If the vehicle fails its MOT, The Hyundai Service Plan does not cover the cost of any re-test or re-tests. The Hyundai Service Plan does not cover the cost of any repairs required in order to pass its MOT unless it is a part covered by and under Hyundai Motor UK Ltd warranty.
- A valid MOT certificate is a legal requirement in the UK and you will be unable to renew your road tax until a current MOT pass certificate is issued.
- It is the responsibility of the vehicle owner to ensure that the vehicle has a current MOT certificate.
