Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. We're proud of what we've achieved in a short space of time. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies. We developed the world's first mass produced zero-emission Hydrogen Fuel Cell vehicle and we recently launched IONIQ – the only car available in hybrid, electric and plug-in hybrid options. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

Welcome to the i800, home to big ideas.

Built for practicality and comfort, the i800 will rise to any occasion. Stylish, spacious and big on safety, it's a flexible and inventive car with huge possibilities.

The i800 stands apart due to its smart design – unlike most other cars in its class it comes with eight seats rather than seven, so there's always plenty of room for passengers and luggage. The sliding doors allow easy access for passengers, while useful mud flaps keep the bodywork nice and clean. The 2.5 CRDi engine delivers two power outputs – either 136PS or 170PS – so you'll have all the performance you need. There are also manual and automatic transmission options too. We've incorporated Electronic Stability Programme (ESP), Anti-lock Braking System (ABS), Electronic Brake force Distribution (EBD) and Traction Control System (TCS), so you'll enjoy a safe journey. And when you come to a stop, you'll take advantage of the rear parking sensors to guide you into the tightest gaps. It's a versatile vehicle that's perfect for every occasion.

Car shown i800 SE in Hyper Silver metallic paint.

A powerful combination of design and purpose.

There's a special kind of beauty in design that aligns perfectly with function. From refined details to flexible layouts, you'll enjoy exploring its many impressive qualities.

Privacy glass, 16" alloy wheels and body-coloured door handles enhance its stylish appearance, while its eight seats provide useful practicality and maximum comfort. A stylish ergonomic dashboard ensures that everything's within reach, while a leather steering wheel, a leather centre-mounted gear knob and optional leather seat trim enhance its high-quality appearance. And that's without even mentioning the practical front seat back pockets for extra storage space, as well as flush sliding rear windows and adjustable LED mood lighting. The i800 maintains its unique style while refusing to compromise its practical features.

A well organised family car with space to spare.

Total comfort with everything at your fingertips. Its quality finish ensures an extra layer of luxury so you and your passengers can sit back and relax.

The i800 takes good care of its passengers, but it's just as comfortable in the driver's seat. The elevated driving position gives you excellent visibility, and the seat is also heated and fully adjustable, enabling you to find the right position. The second row slides and reclines, while the third row also reclines. It'll enable your passengers to find the perfect position with generous leg, head and shoulder room. The second row of passengers will also be able to alter the air conditioning settings so they can find the ideal temperature. If there are fewer passengers in the car, you'll still be able to put the space to good use. Both the second and third row of seats split 60/40 for extra storage – perfect for trips to a DIY store or garden centre. With an adaptable layout and the added boost of Bluetooth® connectivity to keep you entertained, it's one of the leading cars in its class.

* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure) and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.
† Payload is the difference between the Gross Vehicle Weight and the Kerb Weight. ‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (the Payload) and includes the weight of the vehicle. ** The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded. †† The results given above do not express or imply any guarantee of fuel consumption of any model to which this brochure refers. The driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.
‡‡ g/km = grams of emitted substance per kilometre travelled. CO₂ = Carbon Dioxide.

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple – you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts - tested and approved by us.

5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included to get you home if your car can't be fixed at the roadside†.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit hyundai.co.uk/warranty for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit hyundai.co.uk/assistance for further details.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Hyundai Service Plans

For the school runs and the shopping trips.
The multi-storeys and the motorways.
Holidays, the commute, the appointment you simply can't be late for.
This is your driving life.

Hyundai Service Plans are a convenient way to plan ahead, with a bespoke plan, tailored for your individual circumstances.
So you're simply free to live your driving life knowing your servicing costs are already covered.
With payment options to suit you and no interest or credit checks.
Just the certainty that your Hyundai is always in great hands.
