

HYUNDAI PERSONAL CONTRACT HIRE.

Once you've decided which Hyundai model you want, you need to decide how you'll pay for it? Hyundai Finance offers a range of products for you to consider, depending on your own personal needs, preferences and budget

Personal Contract Hire (PCH)

Personal Contract Hire, or PCH is a funding product where you lease your vehicle for a fixed period and mileage, in return for a monthly rental. At the end of the agreement you simply return the vehicle, without further cost, providing that the vehicle has not exceeded the agreed mileage and that its condition is reflective of its age and mileage.

How does it work?

You pay an initial upfront advance rental (amount dependent on size of monthly rental) usually the equivalent to three, six or nine monthly rentals.

You then pay a fixed monthly rental fee (plus VAT) and in return have the right to use your chosen vehicle over a pre-agreed period and mileage.

At the end of this period you are not responsible for the disposal, the vehicle is simply handed back. There is no option to own the vehicle at the end of the agreement.

What else do I need to know?

All agreements include road fund licence, full manufacturers warranty and the manufacturers comprehensive breakdown cover.

PCH agreements are normally 24, 36 or 48 months in duration.

Both excess mileage and vehicle condition charges may apply.

Maintenance of the vehicle can be included in your monthly rental as an added option.

There is no option to own the vehicle at the end.
